

## Grading

- Grading is done by total points.
- Most points come from homework, graded homework, tests, and quizzes.
- Simply take the number of points earned and divide by the number of possible points.
- Multiply by 100 to get a percent.
- The grading scale is as follows: 90-100% A, 80-89% B, 70-79% C, 60-69% D.
- Check your grades periodically on line. If you think there is an error, please let me know.

## Homework/Tests

- Assignments are typically worth 4 points.
- EVERY problem must be done to receive total points.
- Your success in this class depends mostly on doing and correcting the homework.
- Periodically, assignments are graded for accuracy and worth more points.
- Expect at least 5 quizzes or tests each nine weeks, worth about 30-70 points each.
- If you are absent on a test day, you will take it during class the next day back. Be prepared!!
- If you are absent on a day we take notes, you are responsible to copy the notes from someone, get the assignment and see me for questions.

## Class Time

- ❖ Come to class prepared and ready to go when the bell rings!
- ❖ We work from bell to bell.
- ❖ **Keep your phones away!!!**
- ❖ You will need a scientific calculator, notebook and a binder, pencil...
- ❖ I do not have extra calculators to borrow.
- ❖ If you are absent, get the notes missed from someone.
- ❖ Use your planners.
