1. Grading is done by total points.
2. There are several categories of assignments, no one category is weighted more than the other.

  - b. Sketches
  - c. Worksheets
  - d. Tests
  - e. Research
  - f. Outlines
  - g. Extra Credit-a maximum of 5 points per quarter.
3. I do not penalize students for late assignments unless a student is habitually late with assignments.
4. I have two cut-off points for turning in assignments: mid-term for every quarter, and the end of the quarter.
5. Neatness and accuracy are essential for drafters and play a part in the students' grade.
